ANNOUNCING THE

DORCHESTER
INTERNATIONAL
BROTHERHOOD CAMPOREE

Dorchester Scouting takes great pride in inviting all Scouts, Scouters, Guides, Pathfinders, & Guiders to the **Dorchester International Brotherhood Camporee.** The Camporee will be at Dorchester's Camp Bel **May 6-7-8 2016**

COST

We have had increases in rent, site services; as well everything we buy is shipped by truck to which fuel surcharges are added. So to maintain and add quality programming that the youth come to expect from Dorchester the camp fee is as follows:

\$24.00 per youth member and \$24.00 per adult as well as a \$50 Troop pre registration fee AND WE WILL REFUND \$25.00 CAMP DAY

Please note that all prices are quoted in CANADIAN funds. We will accept US cheques BUT due to a bank service charge to cash these cheques, we cannot give exchange on US cheques. If you require further info please feel free to ask the Camp Chiefs listed below. Hope to see you there! Please pass this information around your District. All are welcome! Yours in Scouting.

OFFSITE EVENTS

CANOEING-ROD AND GUN CLUB

It appears the youth want the offsite events to be worth more on the event cards. To this request we will make all offsite events worth ten points on the event cards. This year we will have two busses to reduce the wait time for the youth.

INSURANCE INFO

DIBC has always tried to keep all leaders and youth informed of any concerns that come up for the Camporee. You may or may not, be aware that the Ontario government has been revamping the health care system in Ontario over the last few years. In the past at DIBC when we have sent youth or leaders to the local hospitals they have been looked after and have not had to worry about any charges or insurance forms until later, if at all. Things have changed. Due to this change we are letting All-American Units know they must have out of country medical insurance on everyone in the unit. I know from personal experience whenever I take my troop to a camp in MI we have always been required to have Blue Cross coverage for every youth and adult. Please check with your local council office on the steps you must take to ensure that this happens.

SILK SCREEN EVENT

We will run silk screening again this year where the youth could bring a shirt or purchase one of ours and screen their sub-camp on it. We will also have head bands again this year. We will have a supply of previous years t-shirts for sale at a reasonable price.

SPL AND PATROL LEADERS

It appears that the senior youth are not getting enough information the day of the camp. To that note the leaders who come to register campday are requested to bring a SPL or patrol leader with them.

GUIDING INFORMATION

Last year we had a few units who neglected to fill out a few of the forms required by guiding. The upper people in guiding do look at the web site and cross check to make sure that the proper paperwork is done. Please make sure all your paperwork is done.

DIRECTIONS

401 to 73 NORTH. 73 NORTH to 29. Turn left in about 1/2 mile. Full map with Leader package in April.

Scouting for Youth with Disabilities and Special Needs

It is our intent to open this Camporee to ALL of the youth in Scouting and Guiding. If you have special needs for any of your youth, please tell us your needs. We do have wheelchair accessible toilets on site. We are also willing to do whatever you need to allow the physically and mentally challenged youth in your unit to come. We would appreciate a call as soon as possible ahead of time so as to meet your needs. We are hoping to get the golf carts again this year to transport special needs youth around the camp. This worked well in past years.

CAMP CRESTS and CAMP T SHIRTS ETC.

Enclosed is an order form for this year. Please note that all orders MUST be pre paid. No orders will be processed without payment. All prices are quoted in Canadian funds.
